WORK PREFERENCE
Remote / Direct / Contract

SUMMARY

Graphic designer and video editor who makes social media graphics and short-form videos, including AI-assisted ones. I also have a year of live chat support experience on a UK telecom account, and earlier work in PBX/telephony and client documentation. I'm used to working remotely and directly with clients.

SKILLS

CREATIVE	Graphic design, social media graphics, video editing, short-form video, AI image and video generation
CUSTOMER SUPPORT	Live chat and email support, billing and account concerns, complaint handling, retention, CRM
TECHNICAL	Troubleshooting, PBX / telephony setup, system configuration and testing

EXPERIENCE

Foundever
Pasig City · 02/2025 – 02/2026

Chat Support Representative (Non-voice)

- Handled live chat for UK telecom customers on billing, account, and service questions.
- Processed service orders and upgrades, and offered upgrade or retention options when they fit the customer.
- Used internal systems to resolve issues and dealt with upset customers.

Trends and Technology Inc.
Makati City · 01/2024 – 12/2024

Technology Cadet Engineer

- Did site surveys and met with clients to gather requirements for PBX and telephony projects.
- Prepared Bills of Materials and helped with pre-sales designs for client proposals.
- Configured, tested, and deployed PBX systems, working with the network and cabling teams.

Sto. Nino De Cebu Resources and Development Corp.
San Jose del Monte, Bulacan · 06/2023 – 11/2023

Credit and Documentation Specialist

- Processed legal documents and account requests for memorial and residential properties.
- Answered client questions and followed up on missing documentation.
- Coordinated with government agencies on property-related transactions.
